IDAHO/NATIONAL SEX OFFENDER REGISTRY

Idaho Code §18-8329 prohibits any person who is registered or required to register under the Idaho Sex Offender Registration Act from being on school property if the person has reason to believe children under the age of 18 are present. Joint School District No. 2 Policy 504.81 reads as follows:

It is prohibited for any person to: apply for or to accept employment, or to volunteer at a school; or to be upon or to remain on the premises of a school or facility owned by Joint School District No. 2 while children are present, other than to drop off or pick up the person's child or children if the person is currently registered or is required to register under the sex offender registration act as provided in chapter 83, title 18, Idaho Code.

As a provider of goods and/or services to Joint School District No. 2, your company and those in your employment are subject to this law and district policy.

Please sign and return this letter confirming to the District that your company will prohibit any persons in your employ who are registered or required to register under the Idaho Sex Offender Registration Act from participation in company business with the District if such participation would require them to be present on school property. Further, by signing, you confirm that you have cross checked such employees against the Idaho Sex Offender Registry and the National Sex Offender Registry found at the following web links:
