**Q1. Is there a drawing available for the project?**

R1. Yes, I will send you one via email If anyone else would like to request a copy please send an email to [echambers@ncce.org](mailto:echambers@ncce.org).

**Q2. Is there any chance of an additional walkthrough?**

R2. Sorry, but we only do one walkthrough.

**Q3. Can you provide clarification on section 3.1.2.2?**

***“3.1.2.2 Switches: When increasing the quantity of WAPs above current levels, additional 1Gbps POE switch ports must be added.”***

R3. The District is looking for a complete solution – if your design involves additional WAPs you must ensure that your proposal includes adequate switching.

**Q4. Does the project require any cable runs exceeding 300 ft from a switch?**

No.
