

Student-driven fluency practice in OneNote Class Notebook

Overview

One crucial goal of reading instruction is effective reading comprehension. Fluency is a key component to building comprehension. In this course, teachers learn how to guide students in conducting their own fluency practice with the goal of reading (or reciting) a poem. Using OneNote Class Notebook, students can assess their progress, make necessary adjustments, and complete repeated readings to practice all aspects of fluency, from accuracy to intonation.

Webinar Agenda

00:00-00:10- **Welcome, Introduction, Learning Objectives**
(10-minute duration)

00:10-00:50- **Explain, Explore, Experience, Elaborate**

- Set up independent fluency practice for students in OneNote Class Notebook
- Adding sections and pages
- Distributing sections and pages
- Introduce audio recording and Immersive Reader in OneNote Class Notebook
- Record and play back audio
- Listen to text with Immersive Reader
- Review work in student notebooks
- Apply by preparing fluency practice lessons for your class

(40-minute duration)

00:50-00:60- **Closing & Questions**
(10-minute duration)
